The Wolf Wilder by Katherine Rundell

Feodora and her mother live in the snowbound woods of Russia, in a house full of food and fireplaces. Ten minutes away, in a ruined chapel, live a pack of wolves. Feodora's mother is a wolf wilder, and Feo is a wolf wilder in training. A wolf wilder is the opposite of an animal tamer: it is a person who teaches tamed animals to fend for themselves. Like the wolves, Feo has learnt to be wary of humans. When the hostile, murderous Russian Army arrives with their guns and threaten her very existence, Feo goes on the run with just a fugitive boy and her wolves for company. What follows is a story of revolution and adventure, about standing up for the things you love and fighting back.
