### The Light that Gets Lost by Natasha Carthew

Trey is a young boy who witnesses something no child should ever see. Although he hides in a cupboard and tries not to look, he still hears it. And when he comes out, there's no mistaking. His mum and dad have been killed. Although he's a small boy, he swears that he'll get revenge. A decade later, Trey is a damaged and angry young man. He is sent to a camp that is meant to save troubled teenagers. It's packed with crazies and broken kids. Trey's been in and out of trouble ever since the day the bad thing happened, but he's not here to be saved. This is where he'll find the man who did it. However, Trey soon realises that finding his parents' killer and taking revenge isn't going to be as easy as he imagined. He finds himself drawn to a girl, a dream and the offer of friendship and before he knows it, he's caught in the flames of something wild and mad that he can't control.
