Flying Tips for Flightless Birds by Kelly McCaughrain

Twins Finch and Birdie Franconi are stars of the flying trapeze. But when Birdie suffers a terrifying accident, Finch must team up with the geeky new kid, Hector Hazzard, to form an all-boys double act and save the family circus school. Friendship, first love, freaking out ... it's a lot for two confused clowns to juggle. Can Finch face up to his feelings and take the most daring leap of all?
