One staff member has requested a continued career break.

All were approved by the Board.

2. First Year Refusal Appeals

Four families sent in BOMR1 forms to the Board of Management regarding refusal of a school place for the academic year 26/27. On all four reviews the Board confirmed its original decision to refuse admission due to oversubscription. The Board is satisfied that the School's Admissions Policy and Admissions Notice was applied correctly to the applications.
